## The Latter Day Lizards

The Latter Day Lizards are versatile artistic masters of the highest known reaches of modern dance propulsion technology. Bill Tomczak, Kate Barnes, Dave Langford, and special guest Stuart Kenney have emerged all-powerful from the forging fires of decades-long engagements in the misty world of the Bands of Legend. Prepare, for they are driven to drive YOU.

### Mulberry Street

Locals Perin Ellsworth-Heller, Ben Hemmendinger, and Kristen Planeaux bring a mix of old, new, and original tunes, with a lush and richly textured sound. Fierce, soaring fiddle and pulsing accordion instigate and harmonize around persuasive piano grooves, accented by foot (and hand) percussion.

### Darlene Underwood

From Cincinnati! A joyful and energetic caller. She's known for her high-energy and wonderful dance selections. When she calls complex dances, her skillful delivery makes them seem easy and FUN!

### Bradley Smith

From Louisville, he aims to create a fun, energetic atmosphere with lively calls, intelligent programming, and quick and efficient teaching all done with a light touch.

With sound by Ed Howe
