NOVA
Hailing from New England, Nova is a contra dance band that weaves the sounds of fiddle, accordion, and guitar into a rich tapestry of sound. Nova draws from both traditional repertoire and original compositions to create versatile, high energy and driving dance music.

MEADOWHAWK
Meadowhawk is a trio of dance musicians out of Urbana, Illinois who play a mix of original, traditional, and modern dance tunes. The twin fiddles of Amanda Ramey and Claire Johnson keep the dance floor ablaze with music inspired by North American, Irish, Scottish and Scandinavian traditions while Matt Turino's rhythm guitar colors the tunes and keeps a pulse that won't let your feet hold still.

DUGAN MURPHY
Dugan's voice is smooth like an evening radio personality and his pants are loud like his favorite metal band. He calls contra dances across the U.S. and Canada, but mostly in the Northeast and Midwest. He is known for emanating joy and for teaching with the artful precision of clockwork.

ALEX DEIS-LAUBY.....
Alexandra began contra dancing in 2011 while at school in Chicago. After catching the contra bug, she began calling in 2014. Alex's smooth voice, clear teaching style and engaging dance selections delight dancers from coast to coast. When she's not calling, you can find her on the dance floor twirling away!
