Leaving Mercer Elementary Parking lot, **turn LEFT onto Bartels Rd** and go .2 miles.

At the first stoplight (you cannot go straight) **turn RIGHT onto Clough Rd** and go 1.6 miles.

At the stoplight (again, you cannot go straight here) **turn LEFT onto State Route 32.**

After you pass the Speedway gas station (on the right), stay in the right lane at the fork to **merge onto OH 125 W/Beechmont Ave.**

Stay on OH 125 W for 1.5 miles. Do not change lanes. Once you go under the overpass, stay in the same lane to take the US-50 exit that wraps around to **merge onto US-50 W/Columbia Pkwy** toward Cincinnati.

Stay on US-50/Columbia Pkwy for 3.5 miles. During this time, you will go through a series of 4 stop lights and then you will have a time with no stop lights. The next stop light you come across will have two options to go right. You want the second option which will **bear RIGHT to get on William Howard Taft Rd**. As you approach this stop light, be sure to stay in the right lane that is second from the right, but not the far-right lane (which makes a sharp right onto Torrence Pkwy).

Once you are on William Howard Taft Rd, go .7 miles and at the second stop light, **turn RIGHT onto Woodburn Ave.**

Go .2 miles on Woodburn Ave. and **turn LEFT onto Madison Rd** (there is a stop light there).

After .3 miles, Madison Rd turns into Martin Luther King Dr. E.

After another 1.6 miles and passing over I-71), **turn RIGHT on Vine St.** (There will be a ZOO sign)

After you are on Vine St., **turn LEFT onto W Nixon St** at the next stop light.

After .1 miles, **take a slight RIGHT onto Jefferson Ave.**

After .4 miles, you will see a stop light at the intersection of Jefferson Ave. and Brookline Ave. **Take a RIGHT onto Brookline Ave**, and go .1 miles to take a **LEFT on Hosea Ave.**

Darlene's house is at **235 Hosea Ave.** (4th house on the left)

It is a dead-end street. If there is no parking available, then use the map provided to park at Dewey's Pizza.
